

NATURAL AND COSMETIC
DENTISTRY

Warranty of Major Work

This includes Fillings, Onlays, Crowns, Bridges, Dentures, and Implants.

We warranty our work for 5 years.

Who qualifies for this warranty is a patient who has had their dental work done with us and has kept up their prescribed cleanings and exams with our office (annual exam and x-rays).

This warranty is for the breakage of our restoration placed in your mouth. This does not include if you get decay or breakage of additional tooth around our restoration, as we cannot warranty something that we are not in control of.

1st year – is 100% covered

2nd year – is 80% covered

3rd year – is 60% covered

4th year – is 40% covered

5th year – is 20% covered

The doctor is the one who makes the determination on if the warranty is applicable. The doctor will examine the restoration and inform you of any coverage if any.

Payment

We accept any major credit cards, debit cards, checks, money orders and Care Credit as payment options.

Any Care Credit purchase over 250\$ qualifies the patient for 6 months interest-free financing. It is the patient's responsibility to follow up with Care Credit and make their monthly payments to avoid the deferred payments and interest charges.

As a courtesy to patients, we will submit any insurance claims on their behalf. Since we are not providers, all fees are due at time of service and the patient is responsible for payment. Any insurance payment will be in the form of a reimbursement sent directly to the patient.
